

Permission letter for your images to be used as part of the Kitchener camp exhibition

Dear Content Owner -

We are designing and creating a Kitchener camp exhibition and would like your permission to use your images as part of this exhibition.

We might also wish to use your images in printed materials to advertise the event.

We intend that the exhibition will be shown in UK and overseas museums, Holocaust education settings, and other educational and religious institutions.

When we donate the www.kitchenercamp.co.uk archive to the Wiener Library for the Study of the Holocaust, this exhibition will also go under their care.

Please note – once you have given permission for your images to be part of exhibition materials, we will not be able to ‘take down’ your images, as we can on the website, should your change your mind. The images will be printed onto exhibition stands alongside other Kitchener materials and it will be too expensive to alter these once produced.

If you agree to having your materials included in the exhibition materials, and in printed materials connected to such exhibitions, please would you sign this permission letter.

Once signed, you may photograph or scan this letter and return it to us by email at: editor@kitchenercamp.co.uk. Please keep a copy for your own records.

By signing below, I am stating that I have the right to grant the permission requested, and that I hereby provide you with that permission.
